The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall <u>deductible</u> ? | In- <u>Network</u> : Individual \$1,350 / Family \$2,700. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other <u>deductibles</u> for specific services? | No | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ? | In- <u>Network</u> : Individual \$3,000 / Family \$6,000. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u> ? | <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain <u>pre-authorization</u> for services. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of in- <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
